

Leadership Circles

Where leaders tackle critical issues shaping the energy transition

Established in response to Partner requests for intimate peer dialogues, Leadership Circles are interactive, focused discussions amongst industry leaders.

- **Duration:** 90 minutes
- **Participants:** 25 senior executives, moderated by a S&P Global expert
- **Format:** Welcome remarks by the moderator followed open dialogue amongst participants (participants will receive an agenda or pre-read in advance); Moderator will give concluding remarks.

Partners receive priority consideration for participation in Leadership Circles. Partner Programs are not listed on the public agenda and are invitation-only. No formal speaking roles. Chatham House Rule. Media is not allowed.
